**The “Original Roy’s” Hawaii Kai Presents
Another First...
An Industry Style Wine Tasting
Featuring 20 Winemakers and 90 Labels**

Honolulu, Hawaii (July, 2009) Roy’s Restaurant presents 20 leading winemakers from across the country at the flagship Roy’s Restaurant located in Hawaii Kai on Wednesday, August 12, 2009 from 6:30 – 8:30 pm. The industry style wine tasting, which is normally only open to industry professionals, will feature 90 wines from many winemakers. This is a rare opportunity for non-professional wine enthusiasts to experience some really great American labels and broaden their palates. This gives Roy’s chefs the opportunity to create pupus which will pair well with the wines. The price per person is \$60.00 including tax and gratuity.
